Dear Parents

Welcome to Founders Residence

Thank you for entrusting your daughter to Founders Residence and a big welcome to you as a parent. We are super excited about the new year approaching and hope that it will be a great and successful year for your daughter.

Founders Residence is a small senior residence with Grade 10 to 12 girls in the care of Mrs Karen Opperman, Ms Desree Neville and assistant Miss Emma Broadway. You will have received a boarding manual with all the information regarding boarding at Woodridge, especially Founders Residence. Feel free to ask any other questions relating to your daughter's stay at Founders; we will be happy to answer these concerns and questions.

Boarders need to arrive **on Tuesday, 12 January 2021**, between 14h00 - 17h00 dressed in their formal uniforms.

Yet again, a big welcome to Founders.

Yours in boarding
