HEADMASTER'S WELCOME

On behalf of Woodridge Preparatory School, I am delighted to extend a very warm welcome to you all to our Inaugural Woodridge Girls Water Polo Festival.

This festival represents a wonderful opportunity to develop the game of water polo during the preparatory school years. There are not many prep schools that actively drive water polo at this level, and it is a real privilege for us to host this festival and to welcome so many enthusiastic players, coaches, and families to our campus.

To all the teams and parents who have travelled from afar, we thank you sincerely. We trust that you will enjoy the renowned Eastern Cape hospitality, the sights and sounds of our surroundings, the beautiful mountain backdrop, and the unique atmosphere of the Woodridge campus.

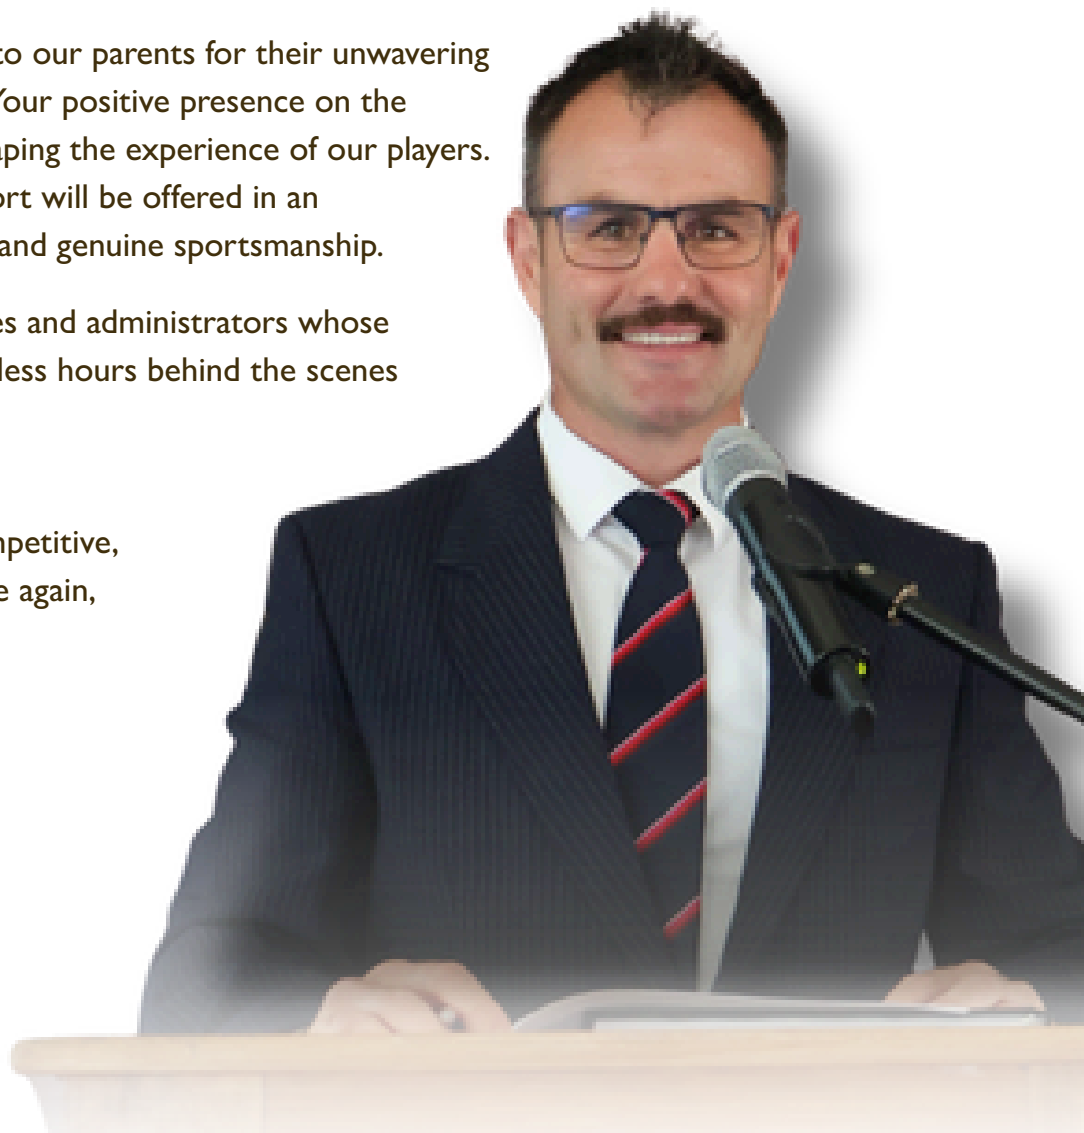

As the matches are played, may every game be contested with intensity and enthusiasm, yet always in the right spirit. We hope this festival inspires confidence, courage, and a deep love for the game in our young players, while creating memories that will stay with them for years to come.

A special word of thanks goes to our parents for their unwavering support and encouragement. Your positive presence on the sidelines plays a vital role in shaping the experience of our players. We are confident that all support will be offered in an atmosphere of respect, praise, and genuine sportsmanship.

Finally, thank you to the coaches and administrators whose dedication, planning, and countless hours behind the scenes make experiences like this possible.

We wish you an enjoyable, competitive, and rewarding festival, and once again, welcome to Woodridge.
