WOODRIDGE INAUGURAL U13 CRICKET FESTIVAL

21-23 February 2026

MORE THAN A SCHOOL, AN EXPERIENCE

HEADMASTER WELCOME

1936 - 2026

It is my great pleasure, on behalf of Woodridge Preparatory School, to warmly welcome you to our Inaugural Independent Schools Under 13 Cricket Festival.

Cricket holds a special place in the life of our school. It is a game that does far more than teach technical skill; it shapes young boys in character, discipline, and spirit. Cricket sharpens concentration, demands patience, and fosters resilience. It teaches respect for teammates, opponents, officials, and the game itself. Above all, it plays a vital role in the development of young gentlemen who understand that how you play the game matters just as much as the result.

One of the unique gifts of cricket is the time it affords players to connect. Unlike many other sports, cricket allows boys the opportunity to talk, to learn one another's names, to share moments on the boundary and around a lunch table. As hosts, we look forward to these shared moments, knowing that this festival offers the chance to forge friendships that may last well beyond their Prep years.

We are deeply grateful to the schools that have travelled from afar to be part of this inaugural event. It is a privilege to welcome you to the Eastern Cape. We trust that you will experience the warmth of our hospitality, enjoy the beautiful mountain views that surround our campus, and feel truly at home at Woodridge.

We wish every team an enjoyable, memorable festival and thank you for contributing to what we trust will become a treasured tradition.

MESSAGE FROM COLIN INGRAM

1936 - 2026

WOODRIDGE
PREPARATORY
celebrating 90 years

To the Woodridge Festival team, staff, and all the other schools and young players attending the festival, I just wanted to wish you a fantastic upcoming festival.

It feels like just yesterday that I enjoyed playing in similar festivals in spirited Woodridge teams making memories and always leaving it all out on the park.

Come to think of it, not much has changed for me; I still play in the exact same way I learned on those beautiful fields all those years ago.

Stick together, embrace the challenge, and most of all, enjoy every moment.

Colin Ingram (Class of '03)
